

DEMENTIA CAREGIVER WORKBOOK

— The Everyday Care Companion —

Words, small adjustments and support for the person who cares.

30 illustrated pages for family caregivers and care partners

START WITH THE MOMENT YOU ARE IN

Finding words?

Turn to pages 4-11.

Something has changed?

Begin with pages 12-15.

Planning daily care?

Explore pages 16-25.

Running low yourself?

Open pages 26-29.

WHY ONE PAGE AT A TIME?

A useful next step is easier to carry into a busy day than a long list of things to fix.

Read one page, adapt one idea and notice the response.

This is education and practical support, not individualized medical advice or a treatment plan. Keep the person's preferences and current care plan at the center. Sudden confusion needs immediate medical help. Support contacts and sources are on page 30.
